### Are you using Renweb?

Parent passwords were e-mailed last week for our new online notification system, Renweb. If you have not activated yours, **we strongly encourage you to do so.** Teachers post homework and grades daily; you can check your child's progress and needs on Renweb. You will also be able to see when your child has a quiz or test. Renweb is a great tool to use when your child is absent from school. Please take advantage of this wonderful opportunity to stay plugged in to your child's education. For questions or problems with your password to log into your Renweb account, e-mail [gmcfarland@citruspark.org](mailto:gmcfarland@citruspark.org).

**Note: Most of you received an e-mail message from the school telling about our 1<sup>st</sup> home football game. This came courtesy of our new Renweb notification system. You will be receiving information via this new system throughout the year. This enables us to keep in touch with parents regarding any and all events taking place at CPCs. Note: Please listen to or read the message before calling the school!**

**SMILE, SAY "CHEESE"** Don't forget, picture day is Wednesday, Sept. 1<sup>st</sup>. All orders are pre-pay only. All children in grades K3-11 will be photographed for the yearbook. School uniforms (grades K5-11) are required for the picture. Orders forms are in today's folder.
